## 1. Background

Social Service Centre (SOSEC), Dailekh is one of the non-political and non-profitable social organization which has been founded in 2054 B.S. with the goal of serving the backward people in the remote and undeveloped communities of Dailekh district. The organization tries to play the vital role in the social cultural and economic development of the community. SOSEC is the result of the ambition and enthusiasm some adventures Dailekhi youths who are always dedicated in the prosperity of community. By analyzing the

fact that only governmental offices cannot do all the of developmental work, and some efforts should be done by the civil society for the development of the community the organization has been performing different activities related to human right health, education, sanitation & agriculture with the partnership of different bilateral, Multilateral and other donor agencies that launch the program only for the disadvantage and back warded communities. SOSEC considers that the community should be active and cleaver for their development. The development of a community depends on the activeness of the community.

Social Service Center (SOSEC) facilitating/organizing the IP (Integrated Project), RLSFS (Resilient Livelihood and Sustainable Food Security Project), SED-P (Sustainable Economic Development Project), ICDP (Integrated Community Development Program), RBLIP (Right Based Livelihood Improvement Project), WYC (Children, Youth and Women Promotion Program), HVAP (High Value Agriculture Program), DWSLP (Drinking Water, Sanitation and Livelihood Promotion Program), WRMP (Water Resource Management Program) with the financial support and partnership with SC (Save the Children), DCA/ICCO/LWF Nepal, LLINK/Helvetas Nepal, PAF, FO, AEI, HVAP, DDC/RVWRMP and WARMP/Helvetas etc.

SOSEC Organized District Project Advisory Committee Meeting for sharing organizational progress Review with the participation of related stakeholder at District Headquarter in 13th July, 2015. The program was organized with the chairmanship of Mr. Hari Pyakurel (Local Development Officer), chief guest Mr. Pitambar Ghimire (Chief District Officer) from District Administration Office and welcome speech was presented by Mr. Hem Kumar Dhakal (Acting DEO) from District Education Office, Dailekh. The program was facilitated by ED Dambar Bahadur Karki from SOSEC Nepal.

This report gives the overview on two aspects: 1) First, it gives project introduction, clear overview, working modality, monitoring mechanism and role of DPACC member, stake holders on how to integrate or collaborate in project activities at Project VDCs and 2) Secondly; it suggests some key recommendation for project implementation based on the discussion with district level stakeholder, related concern and political leaders field experiences on field basis.

DPACC meeting was organized for DPACC member as well as political leaders, journalists and local people who have been selected to integrate, collaborate & facilitation to implementation and monitoring and evaluation of the SOSEC handled projects support in their respective setting.

In this very setting, particular consideration was given project implementation methodology, roles and responsibilities of DPACC members to make sure that stakeholders and participants could understand projects strategy, methodology & intervention and their roles and responsibilities in district level and VDC level. The important aspect of the workshop was used of the participatory methodology where participant were given more time to speak and provide their recommendations on the contextual setting to operation of the project.

This is the vital part of the workshop as implying participant feedback and coordination with them to make sure that the essence of project concept. As this meeting provides them ample opportunity to express their views, issues and concern regarding the project implementation mechanism and process.

Presentations related to annual progress of all Projects was presented and floor was opened for recommendations from DPACC member and related stakeholders. Meal system and mechanism applied by the SOSEC for IP project was shared with the DPACC members and stakeholders as well.
